ADDITIONAL INFORMATION

Hobbies and interests

Sports

- Weight training
- Football
- Basketball
- Running
- Hiking
- Walking

Gaming I enjoy playing all types of games, competitive, single player and even co-op

Nature I absolutely adore going around in nature, exploring and learning about places I had never seen before. When I visit other countries I love to go out and see how nature is within that country and going through country trails or hiking.

Socialising and Networking I enjoy going out with my friends and I also enjoy meeting new people and making a lot of friends around the world.
